5:31 PM **samantha.sterling**: how do either of you ever get any work done?
5:32 PM **me**: well, my work often consists of making fun of media people
and I only need to spend so much time doing actual work anyway
plus, this counts as work
samantha.sterling: ah yes
5:33 PM **me**: insomuch as that I'm just waiting for someone at that station to say something particularly stupid so that I can pounce on it
samantha.sterling: "i think she's a hooker, that's why."
FANTASTIC
5:34 PM **me**: trouble in paradise
maybe she needs to spend less time talking nonsense and more time throwing the hookers out of her house
samantha.sterling: seems reasonable
me: or whatever
I'm not her boss
samantha.sterling: lucky for you
5:35 PM i don't think i'd want to work with her
me: I would, as I own a digital voice recorder
samantha.sterling: hahaha
now, if i understand this correctly, the health bill will not pay for all the abortions i planned on getting?
me: no, but that's what boyfriends are for
5:36 PM **samantha.sterling**: yeah but a trick isn't exactly a boyfriend
me: or cuckolded husbands
he is if you blackmail him
with a digital voice recorder
samantha.sterling: oooh good point
me: DIGITAL VOICE RECORDER
samantha.sterling: yes yes
i see, i must get one of those
5:37 PM **me**: what are you doing later this week?
samantha.sterling: on which day precisely?
i do different stuff everyday
me: hadn't thought about that
Thursday?
5:38 PM **samantha.sterling**: thursday i'm doing a yoga class in the early evening, volunteering in the later evening

me: Friday?
check out this toy fascist douchebaggery
samantha.sterling: friday i'm volunteering in the afternoon, no plans for the evening yet
me: http://trueslant.com/barrettbrown/2010/03/23/response-to-pro-putin-commentator-mark-adomanis-regarding-my-post-on-russian-protests/
5:39 PM **samantha.sterling**: k i'll read it
brb
5:40 PM would also love a magical genie to appear before me and bring me a big pipe filled with opium and to play for me songs of heartbreaking beauty plucked from the deepest depths of Near East antiquity, and to do so on a harp made of stardust and dreams.
me
too
me: I guess we could go halves on one
5:41 PM **samantha.sterling**: why not
what's your opium obsession about?
me: it's a colorful concept
5:42 PM also I used to do a lot of opiates
samantha.sterling: as did i
by the way, i did read about the protests
they were newsworthy for sure
5:43 PM **me**: yes, but little Eastern Orthodox Putin Loving Douchebag Fellow doesn't think so because they were targeted at his precious, precious man who gives him the feeling of national strength
samantha.sterling: haha
5:44 PM you're quite unusual, you know that
me: NO
I mean tee hee **blush** ^____^
samantha.sterling: oh jesus let's not get all silly now
:)
5:45 PM **me**: BUT MY DARLING I WAS BEING SERIOUS
^_____^
samantha.sterling: texans make no sense
me: that's what the little Japanese girls do
I am not very endemic of Texan culture
5:46 PM **samantha.sterling**: what about the damn cowboy boots?!
me: except for that
and the rifles
samantha.sterling: haha
me: and contempt for the northeast
samantha.sterling: yes lest we forget the rifles and the yankee contempt

me: lest indeed
how was lunch?
5:47 PM **samantha.sterling**: you know, lunchy. mom's at a meeting with her financial advisor, which gives me a short reprieve.
me: where are you from?
samantha.sterling: connecticut
me: me too!
samantha.sterling: you wish
me: yes
every day
samantha.sterling: doesn't everyone?
5:48 PM it's clearly the only respectable place to be from
me: people in Somalia, probably
samantha.sterling: ouch
me: oh snap
samantha.sterling: i don't think i like you anymore
me: you never liked me
you just enjoy gchat
samantha.sterling: hahaha
actually
i hate gchat
5:49 PM which is why i usually hide
so people can't annoy me with their conversations
me: you are a victim
samantha.sterling: i am NOT a victim
me: you should get a rifle
and some boots
5:50 PM **samantha.sterling**: i have boots. they just aren't cowboy boots
me: I assumed you did
I'm going to switch locations and go to my friend's place, talk to you later
5:51 PM **samantha.sterling**: enjoy
bye
